

HEARTLAND CHRISTIAN ACADEMY
BOARDING SCHOOL

March 9, 2018

To Whom It May Concern,

Tara Hutchens has worked at Heartland Christian Academy since May of 2004. Since that time she has served as a teacher and youth instructor. Mrs. Hutchens has taught a variety of subjects over the years, but has most recently focused her energy and efforts in mathematics, teaching Pre-Algebra, Algebra 1 and 2, and Geometry. She has also successfully supervised students working in online and dual credit platforms for Geometry and College Algebra.

Mrs. Hutchens has exhibited a passion for improvement and innovation in her instruction, particularly through employing technology. Her zeal for exploring new approaches and mediums for learning is noteworthy.

Mrs. Hutchens also has a distinct administrative and organizational gift. She has productively employed her talents to coordinate recreational and extracurricular activities for students at our school. Additionally, she served for a season as our Athletic Director, bringing significant direction and expansion to our sports program.

I am happy to recommend Mrs. Hutchens as a helpful employee and woman of innovation—she has a servant's heart and will add strength to any organization.

Respectfully,

A handwritten signature in blue ink, which appears to read "Shabaka Williams". The signature is fluid and cursive.

Shabaka Williams

HCA, Head of School
